KIAN JOO GROUP

KIAN JOO CAN FACTORY BERHAD

ENVIRONMENTAL POLICY

KIAN JOO CAN FACTORY BERHAD (KJCF), a leading metal printing and can manufacturer, is committed to implementing best practices to protect the environment, prevent pollution, and address climate change. We strive to integrate environmental and climate-related considerations into all aspects related to the context of our business operations.

This policy provides the framework for setting environmental objectives for the organization that will be monitored to ensure the achievement of our Environmental Management System (EMS) objectives and reviewed as necessary to reflect changes in legislation, organizational direction, or climate-related requirements.

We are committed to the protection of the environment, including the prevention of pollution, the mitigation and adaptation to climate change through responsible operational practices and other specific commitments relevant to our business operation.

To accomplish this, our commitments to continual improvement of the EMS to enhance environmental performance; includes a commitment to fulfil compliance obligations by adhering to applicable environmental legislation, climate-related regulations, and relevant national requirements.

The following constitute the heart of our commitments with the aim of ensuring environmental sustainability and climate responsibility throughout our business operation:

- Identify, control, and prevent pollution
- Reduce waste generation.
- Conserve renewable and non-renewable natural resources.
- Optimize energy consumption.
- Continually raised awareness of the importance of environmental protection
- Conserve the environment through the implementation of the 3R concept (reduce, reuse, recycle)
- Support climate change mitigation and adaptation
- We commit to optimizing our efforts to reduce the carbon footprint of our operation.

KJCF will continually improve the environmental performance aspect and take into consideration the impact of its operation for environmental protection; pollution prevention and uphold climate change responsibility.

"TOGETHER WE CAN"

We are committed to engage our employees to create a sustainable workplace according to ***EMS ISO 14001: 2015 Standard.***

KIAN JOO CAN FACTORY BERHAD

DASAR ALAM SEKITAR

KIAN JOO CAN FACTORY BERHAD (KJCF), syarikat terkemuka dalam percetakan logam dan pembuatan tin, berkomited untuk melaksanakan amalan terbaik dalam melindungi alam sekitar, mencegah pencemaran, dan menangani perubahan iklim. Kami berusaha untuk mengintegrasikan pertimbangan berkaitan alam sekitar dan iklim ke dalam semua aspek yang berkaitan dengan konteks operasi perniagaan kami.

Dasar ini menyediakan rangka kerja untuk menetapkan objektif alam sekitar bagi organisasi yang akan dipantau bagi memastikan pencapaian objektif Sistem Pengurusan Alam Sekitar (EMS), dan akan disemak semula mengikut keperluan dari segi perundangan, hala tuju organisasi, atau keperluan berkaitan iklim.

Kami komited terhadap perlindungan alam sekitar, termasuk pencegahan pencemaran, mitigasi dan adaptasi terhadap perubahan iklim melalui amalan operasi yang bertanggungjawab serta komitmen khusus lain yang berkaitan dengan operasi perniagaan.

Bagi mencapai matlamat ini, kami beriltizam meneruskan penambahbaikan berterusan EMS bagi meningkatkan prestasi terhadap alam sekitar; termasuk komitmen untuk memenuhi kewajipan pematuhan undang-undang alam sekitar yang berkenaan, peraturan berkaitan iklim, dan keperluan kebangsaan yang relevan.

Komitmen utama kami dalam memastikan kelestarian alam sekitar dan tanggungjawab terhadap perubahan iklim dalam operasi perniagaan adalah seperti berikut:

- Mengenal pasti, mengawal, dan mencegah pencemaran.
- Mengurangkan penjanaan sisa.
- Memelihara sumber semula jadi boleh diperbaharui dan tidak boleh diperbaharui.
- Mengoptimumkan penggunaan tenaga.
- Meningkatkan kesedaran secara berterusan tentang kepentingan perlindungan alam sekitar.
- Memelihara alam sekitar melalui pelaksanaan konsep 3R (kurangkan, guna semula, kitar semula).
- Menyokong mitigasi dan adaptasi perubahan iklim.
- Komited untuk mengoptimumkan usaha dalam mengurangkan jejak karbon operasi.

KJCF akan terus menambah baik aspek prestasi alam sekitar dan mengambil kira kesan operasi terhadap perlindungan alam sekitar, pencegahan pencemaran, serta menegakkan tanggungjawab terhadap perubahan iklim.

"TOGETHER WE CAN"

Kami komited bersama pekerja bagi mewujudkan tempat kerja yang lestari berdasarkan kepada ***Piawaian EMS ISO 14001:2015.***
